

VICTOR GOLD RUSH DAYS 2020

Dear Crafters and Vendor Friends!

It's that time of year to prepare for Victor's Gold Rush Days. We celebrate our heritage as the largest gold mining district in the US that is still producing gold. The celebration will take place July 17 – 19th, 2020. Victor Gold Rush Days is sponsored through the efforts of the Victor Business Alliance in collaboration with the City of Victor and several non-profit groups in our area. **This year we are anticipating a larger attended event due to increased advertising and sponsorships.**

This event takes place in historic Victor, CO where we have lots of exciting projects underway. Since Victor's elevation is over 9000 feet above sea level, we recommend all vendors be prepared for sudden weather and temperature changes.

Electricity is limited, so there is an option for vendors to bring your own generators or pay the \$25 per weekend fee of using our electricity. Water, bathrooms and portables are nearby. We will make every effort to accommodate your needs, but vendor spaces will be assigned at the discretion of the Vendor Coordinator on a first come first served basis. Your cooperation in this matter will be greatly appreciated.

Lodging is available at The Victor Hotel (719-689-3553), The Olympia (shared bath) (719-689-5952), and the Fortune Club (shared bath) (719-689-2623). Several AirBnB's are located within the area, please check out the Business Tab on the City of Victor website. A KOA campground (800-562-9125) is available about 7 miles from Victor on County Road 81, if so desired. There are a limited number of campsites within the city that can be reserved through Mike Marsack at 719-689-3444. We recommend that you make reservations early. Please inquire about parking for personal accommodations.

The City of Victor has a sales tax rate of 6.9%. Victor compares vendor information to the State of Colorado's sales tax receipts. Ensuring that you charge this amount on your qualifying retail sales will help protect you from an audit.

It is our intention to produce an event that you will find exciting and profitable so that you will look forward to coming back to Victor, CO. We welcome your feedback and input.
